

Douar Ouaraben, doll play, 1.2012

Filmed by Khalija Jariaa

Video camera Sony, 15 seconds

3 plastic dolls found in the Oued – the lacking legs and arms have been replaced by pieces of reed, the girls made the cloths. These 3 dolls represent tourists assisting a wedding feast.

Two Moroccan girls came from Brussels for vacation in Douar Ouaraben: the one who sits in the door opening and the older one who stays upright in the beginning of the video.

The girl from Brussels sitting in the door opening is making a doll with a reed frame.
